Teaching and Learning with Rich Media: Podcasting and iTunes U

CUNY IT Conference 2008

Teaching and Learning with Rich Media

- **The Contexts:**
  - The University
  - The Campuses
  - The structure (iTunes U and Blackboard)
- **The Challenges:**
  - Defining pedagogical use
  - Providing the infrastructure
  - Building faculty interest/capacity

The Varieties of Podcasts

- Reusable Objects:
  - Screen or class capture
  - The tutorial
  - The conceptual topic
  - Skills, drills, and disciplinary content
- Student performance/production
  - Assessment
  - Giving “voice” to ideas
